

Small Local Business & Non-Profit Policy

We are pleased to be able to offer non-profit, community organizations and small nearby neighborhood businesses an opportunity to make contact with our visitors. Please come to the market Info Desk no earlier than 45 to 30 minutes before the market opens on the day that you wish to attend. Check in with the market staff and you will be directed to a space to use for the day (if available), free of charge.

We expect you to comply with all requests that are made by the market staff. We reserve the right to retract your accommodation at any time. We ask that you keep your voice at a conversational level and that you stay within 5 feet of your space assignment.

A market location space will usually accommodate a card table, a couple of folding chairs, table top information, brochures, easel, pictures and handouts. If you require a larger space, be aware that space is limited and that we may not be able to accommodate your needs. You are responsible for bringing all of your own set-up equipment.

In the interest of fairness, a limit of one time per month, per organization, is usually observed. Collecting financial donations requires a letter that identifies you as authorized to collect donations on behalf of the 501(c)(3) organization that you represent and it must be on an official letterhead. We require a copy of the letter to be available for inspection, upon request by anyone, at any time while at the SFMA markets.

Approval by market staff is required before selling any items at the market for fundraising purposes. Bake sales and other food items are not generally allowed due to health department regulations.

We look forward to seeing you at our community market.
